Dear Brothers and Sisters in Christ,

The Sezanov family was saved in Bulgaria after communism fell. The Lord in his providential care sent them to this side of the world and they have been a blessing to our ministry ever since. They are dedicated and serious about their faith. Their daughter, Anna, just graduated from high school and was awarded the Governor General Award for Scholastic Achievement and was honoured with five other awards as well. Another student who was nominated, who seemed sure to win, was Anna's adversary throughout the year in classroom debates. Anna supported the Christian position while he supported the secular humanist atheist position. Despite heavy opposition and resistance on the part of classmates and teachers, Anna held to her Christian convictions. We are proud of her accomplishments and of what the Lord has done in her life.

This same family has reached out to Nicoletta and Mihai (recently arrived here from Romania) and has shared the gospel with them and brought them to church. We recently had both families over for dinner and had a wonderful evening of fellowship. Please pray for Nicoletta and Mihai that they come to know Christ as their Saviour.

In our January letter, I asked for prayer for Lyne's friend Diane, a Jewish woman who is seeking answers to life's questions. Lyne invited her over for lunch last week because Diane wanted to ask me some questions about God. I was able to give her a brief survey of the sacrificial lamb from the Old Testament to the New Testament. We also gave her a Bible and it was refreshing to see her excitement upon receiving it. Please continue to pray for her as we see she has a real thirst for truth.

Whenever you speak to a stranger on the phone, remember they too have a story. Let me explain. Early in the spring, I called a company to trim the trees on our church property. It is now the end of June and they still have not come. This morning, Lyne called the company and spoke with the secretary. Knowing that she was speaking to someone from a church, the lady shared her story with Lyne. Ghislaine explained that she was the sole survivor of a car crash that took the lives of her parents and two siblings when she was only 8 years old. She then lived in many boarding schools after that. She went from one to another because of her rebellious spirit. Lyne proceeded to share the Gospel with her and got her address and sent some tracts and a Fundamental Truth to her as well. Please pray for Ghislaine's salvation. I am learning not to get too upset when things don't go the way I planned because many times it is God who is working out his plan. The trees should be trimmed in August.

Love in Christ our Saviour,

Jay and Lyne Abisch
