Dear Pastors and Friends,

“Foo Een” – this means Gospel. About two months ago on a Wednesday afternoon, a young mother and her daughter walked through the doors of our church for our Kids’ Bible Club. I greeted them and immediately the mother began to tell me that I was the one that gave them information about the church. She said that one Saturday she saw me give a Gospel tract to her mother-in-law. She was curious, so she asked her mother-in-law for the tract. The next Wednesday she brought her daughter to our Kids’ Bible Club. Please pray for Cindy and her family to be saved. Every week Cindy is under the teaching of God’s Word. I believe that she will soon get saved.

May was a busy month for us. April started back to language school, and there were a few ministry opportunities in which we were able to get more involved!

Our annual ladies’ tea was the beginning of May. This year’s topic was “Daughters of the King” – a princess theme! April was able to orchestrate the games and help prepare the food for this! Anna, who faithfully attends our Wednesday night services, came to the tea for the first time! Anna is not saved, so please pray that she will continue to come to church and will soon see her need of the Savior!

Also in May, I had the opportunity to teach the English portion of our Kids’ Club. It was a blessing to teach them some wonderful Christian songs in English. It also allowed me to use some of the Chinese that I have learned.

April and I truly enjoyed our first Mother’s Day and Father’s Day! Ethan just turned six months old and is getting so big! We are extremely blessed to have him!

Thank you for your faithful prayers and financial support! Please pray for us in the upcoming months, as we will take on more responsibility at the church. We are currently preparing for youth camp and VBS for the month of July.

In His Service,

Jon & April Flowers
Jon, April & Ethan Flowers

I am the light of the world: he that followeth me shall not walk in darkness,
but shall have the light of life. - John 8:12
