James 4:2,3

Dear Faithful Supporters,

April / May 2010

In April we visited Garth Road Baptist in Baytown, Texas where we helped them with a Deaf work in 1998, and have faithfully supported our mission work. Today they have a beautiful new worship facility and Christian school that God has provided. I updated our work and preached on Sunday night.

We just ended an eight week sign language class at Bible Baptist in Landrum, SC, with about 13 students faithfully attending. Ending our time we visited a local restaurant where the students could not use their voice. This gave them a feeling of what Deaf people face every day of their lives in a hearing world. We will continue classes in the fall.

A letter arrived recently from our friends in Port-au-Prince, Haiti where we have ministered to the Deaf in the past, regarding the conditions after the earthquake. Quote, "We are slow with our construction as we work depending on the Lord providing. Since the earthquake we have grown 40% in 2 months, with 34 new converts, and three baptismal services this past month." Praise the Lord for Bro. Leny and his faithfulness to these people.

Our recent travels were to include Missouri and on to Utah, but due to the altitude in the mountains of the west my breathing was not good. We got as far as Laramie, Wyoming and had to turn back. We are now back in South Carolina.

In our last letter we indicated work had to be done to our motor home, God has provided and the work has been completed. We are blessed. We still need to make up a \$500 loss in monthly support.

We thank the lord for continued safety on the road and health.

**Prayer Requests:** needed \$500 monthly support
