Dear Pastor Cross,

Have you ever wondered at the stars and thought about how small you are? Have you ever flown in an airplane and been astonished at the patchwork quilt of fields, the puddles of lakes and ponds, and people the size of ants? Have you ever asked God, "Why do You care for me?" (Ps. 8:4). Awestruck, have you ever realized how great, good, and absolutely holy He is?

Then, have you ever wanted to capture those moments and keep them with you when life rushes at you, or rather, past you? When your car breaks down . . . When the budget is tight . . . When you race in sixteen different directions . . . When there is tension in your home . . . ?

It is easy to lose sight of God, who He is, and *whose* we are, isn't it? Let us remember to . . .

*. . . fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God. Consider him who endured such opposition from sinful men, so that you will not grow weary and lose heart (Heb. 12:2-3).*

When God reveals Himself in revival, we are instantly aware of His magnificence—of His grace, His glory, and His goodness. Oh how our nation desperately needs to see Him . . . in all His glory!

May we all continually acknowledge the presence of God in every day, in every circumstance, and in every relationship, calling upon Him for mercy and grace "to help us in our time of need" (Heb. 4:16), so that we may give the world an accurate reflection of who God is.

Thank you for carrying the burden for revival with us through your prayers, support, and encouragement. It is a blessing to serve in these challenging days with great hope. Please continue to pray and cry out to God for revival and spiritual awakening.

Believing Him together,
