April – May – June 2010

Dear **PASTOR DAVID CROSS & CHURCH.**

A Continuous Love Greetings from your missionary “The Ocampo’s” in Jesus Name. A great heartfelt gratitude I express unto you for your continuous support you are giving to me and my family. Humanly speaking, what would happen to me if you stop supporting us financially, yes I know the Lord will help me but it’s you that the Lord has been using for many years in blessing my life.

APRIL 26 – May 1 – DVBS week. Almost 500 children was accommodated by our youth. Some mothers of our church support the program, they also

lend their houses to make rooms for the children. We taught them about Jesus and His salvation. The program has been a success, by God’s grace. Many children became aware of God’s love to them and in return they learn to sing praises to God.
