Greetings in Jesus' Precious Name,

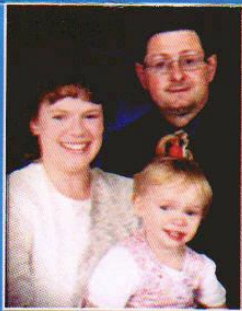

**New Building** – We want to say thank you to each of you, and we are very humbled for your love and care for the Military Ministry, as we were able to accomplish another goal together for this church plant in Stuttgart among our Military Community and English speaking population. The Lord has provided us with a permanent place to meet and worship. Thank you not only for your faithful monthly prayers and support, but also the many extra love offerings that was sent in to help make this possible.

**New Birth** – We praise the Lord for allowing us to see to our first soul saved in our new building during a recent morning service. The Lord worked on a lady's heart in a tremendous way. Not only did she get saved, but she made a public confession of her salvation at the conclusion of the invitation.

**Continual Outreach** – The Lord continues to allow us to be able to reach those who work for the Mercedes Auto Company and travel over here to work in the German plant for several weeks at a time. We were concern about this in our move, but the Lord brought many of them back with us again during this last rotation to our new location. We were very blessed as many brought their families back with them to Germany and also to our services.

**Operation Saturation** – Please be in prayer as we are seeking new families in our flier distribution program. We go out several times during the week and place fliers in our Military Community housing areas to let them know about our ministry. Please pray with us that we would see more families as a result of our efforts, as we continue to labor here in the greater Stuttgart, Germany, area.

Christ Is All,

*Harold and Karin Pierce*
