May-June 2010

Dear Friends,

During the last few months we have been praying about being able to go back into the town of Timucuy and restart the services in this place. At one time there were people at this church serving and reaching their town with the gospel, but sometimes Satan finds a way to ruin lives and testimonies.

The work began in getting the land cleaned up for a lawnmower to be used. The church building was prepared for painting and the pastorage was also cleaned and furnished. My Father, Odis Seals has been staying there, going out into the town witnessing and trying to reach the people for Christ. The men go out witnessing every afternoon and the Young people from Tecoh are also involved on Saturday afternoons handing out gospel tracts. I am also going on Sunday mornings along with Bro. Moises and his family, and Bro. Eduardo and his family. At this time there is one young girl who comes on Sunday and lately she has been bringing her younger brother. Pray for them that they soon will be saved, their names are Kristi and Damian.

Summer approaches and plans are being made for Vacation Bible Schools. This summer we will be including Timucuy and we are praying that even now the Lord will prepare the heart of the people to allow their children to attend.

"Girls and Boys Club for Christ" along with "A New Beginning Club" are working hard for the special award presentation that will take place in June. We are very proud of these children and we pray that for those who are saved this is a way of helping them grow in the Lord, and for those who are not that these verses and activities will open their hearts to their need of Salvation.

There are many plans for the rest of this year along with much work that needs to be done in the different ministries and missions. We ask you to pray that all will go well and according to God's will.

I thank you for your continued praying and most generous giving throughout the years, and I pray that the Lord will greatly bless you as you minister there.

In Christ,

Rebeca Seals
