Dear Pastor Cross and Church family,

May/June 2010

Half the year is over. It's amazing how quickly time passes. It seems that there is never enough time in a day to get everything completed on your list of things to do. But God has allowed us to accomplish much this last two months. We are continuing to work on the new auditorium. Chipping cement to plaster the block, adding the entryway, and adding a new two-seater toilet with an awning to prevent people waiting in line from getting soaked on rainy days. Speaking of rain, our rainy season has come early as it did last year, so the work outside has slowed some.

The feeding center is doing well with 58 children in attendance. One of our churches had special t-shirts made with the children's names on them, and they were presented to them in April. The kids loved them. It was neat to see them wearing the shirts to church and school.

My wife was asked to speak at a ladies conference in northern Belize. Vicki was able to take eleven of our English-speaking ladies from the Valley of Peace and Camalote. Our ladies don't get out much so it was an exciting trip for them. It was good for them to be able to share testimonies, prayer requests, and build friendships.

We are preparing for Youth camp in July so we ask that you pray that God will work on their lives and we might see some teens come to know Christ.

Each week, the Gospel is being preached, new Christians are being discipled and lives are being changed. We are grateful for your prayers and support. We know we could not do what God has called us to do ... without you.

All for Him,

(over)
